Humanities and Fine Arts (from a discipline other than the one used for the Associate of Applied Science degree)

Global Perspective

People and the Environment

Physical Education (two courses)

Fond du Lac Tribal and Community College reserves the right to change when courses are offered. Program requirements are subject to annual review and revision. Students should use this program plan as a guide when selecting courses to complete a degree in a major. It is important that students consult with an advisor/counselor prior to registering for courses each semester.
